

ALL-PURPOSE CLEANER CONCENTRATE

QUICK & EASY is a leading edge formula specifically designed to clean/degrease various soils while still being an environmentally friendly product. QUICK & EASY also safely removes white salt stains left from ice melter or hard water residues. QUICK & EASY is an Earthline Bioscience family member.

Dilutions:

- | | |
|---------------|------|
| • Light Duty | 1:64 |
| • Medium Duty | 1:32 |
| • Heavy Duty | 1:10 |

Directions:

QUICK & EASY can be used mainly as a daily mop-n-bucket cleaner, but it is also used in automatic floor scrubbers, pressure sprayers, and various mechanical and manual degreasing/cleaning applications. Always test in an inconspicuous area prior to use. Dilute with water from a cold tap.

Recommended Uses:

QUICK & EASY is safe to use on all surfaces not harmed by water including floors, walls, woodwork, marble, plastic, metal, tile, polished concrete, and countertops
