

NEUTRAL CLEANER-DEGREASER CONCENTRATE

SAFETY GREEN is an all purpose cleaner designed to meet today's demands for an easy-to-use liquid degreaser which combines active detergents with safe, water-soluble cleaners. Contains no petroleum. It is especially formulated for the heavy-duty to medium maintenance cleaning jobs in plants and buildings where a single general purpose product is required. It is non-flammable, concentrated, free-rinsing, and dilutes with hot or cold water. It does not contain Butyl Cellosolve and it has a wide range of versatile uses. General maintenance cleaning with one product rather than many. Pleasant citrus scent. The liquid concentrate allows ease of control which saves product dollars.

Part No: 213115

Dilutions:

- Light Duty 1:64
- Medium Duty 1:32
- Heavy Duty 1:10

Directions:

Dilution ratio depends on severity of soil deposit, but in general, product can be used full strength or diluted up to 1:64 with water. Removes mineral oils, light greases, vegetable oils, waxes, inks, grass stains, soft carbons, body greases, and soot deposits; from mobile equipment, plant machinery, conveyors, floors and walls, printing presses, shower stalls, light fixtures and metal parts. Always test in an inconspicuous area prior to use.

Recommended Uses:

For use in automatic floor scrubbers, pressure sprayers, steam cleaners, industrial dip tanks, and mop and bucket.

Specification Data:

- FORM: LIQUID
- COLOR: GREEN
- ODOR: LIGHT CITRUS
- DETERGENCY: EXCELLENT
- WETTING ABILITY: EXCELLENT
- FOAMING: MODERATE
- BIODEGRADABLE: YES
- STABILITY: ONE YEAR MIN. SHELF-LIFE @ ROOM TEMP.
- SPECIFIC GRAVITY: 1.1± 0.1
- SOLUBILITY: COMPLETE
- FLASH POINT: NONE
